It's time to shift into overdrive and gear up for 'Race 2 Save A Life', a Go-Kart race event, an annual fundraiser for the National Alliance To End Veteran Suicide (NA2EVS).

We are asking you for support, either as one of our main event Sponsors, or smaller levels that support our awards dinner, the awards themselves, or donation of items for our Silent Auction. You might also consider forming a race Team to bring some fun into the mix with your people.

Go-Kart events bring together Teams; from families, friends, co-workers, businesses, schools, military units and various groups from all over. We use the acronym T.E.A.M. as Together Everyone Achieves Miracles and we formally invite you to join us in Saving Lives of our Service Members and Veterans as either a Sponsor, a Team or both.

Consider that 'No one can DO EVERYTHING, but EVERYONE CAN DO SOMETHING'. Your sponsorship on this event could be your something!

This competition will be exciting as teams compete to be the fastest team, fastest female driver, fastest male driver, and they will hold their title until next year. There will also be team awards for the most money raised for NA2EVS.

All funds raised from this event, help support our 'Operation Veteran Freedom' workshop and various educational and community events that we put on throughout the year. You can see the amazing testimonies for this workshop at www.na2evs.org/ovf. You can learn more about our events at www.na2evs.org/events.

Your financial support will help make this year's 'Race 2 Save A Life' Go-Kart fundraiser a great success!

We are also accepting volunteers for this event and any referrals would be appreciated.

Please share your intentions with me via email or phone and we will connect to fulfill them.

Respectfully.

Rod Wittmier
